Conservation and Change in Historic Towns

Publications of the Scottish History Society

Acts of Alexander III King of Scots 1249 -1286 This text contains historical and archaeological information for academics and interested general readers on the historic town of Forfar.

The Scots Law Times This is the first book to take a comprehensive view of the historical geography of Scotland since the Union. The period is divided into sections separated by the Napoleonic Wars and the First World War, and each section offers a general view followed by detailed studies giving a balanced coverage of regional and urban-rural criteria, and the economic infrastructure. The book contains a number of original researches and Dr Turnock attempts to set the Scottish experience in a framework of general ideas on modernisation.

Bulletin of the New York Public Library Volume 1 of this history ended with the chief and his followers dead on Flodden field. Volume 2 describes the Clan’s recovery. Within five years Colin, 3rd Earl, was Vice-Regent and Lieutenant of the Kingdom. Within five decades the Clan had extended their possessions to the Western Isles, reinforced their Highland dominance, and become the most powerful family in the nation. How they managed to remain so for a century and a half, despite everything history could throw at them, is the subject of Alastair Campbell’s fascinating, vivid and well-paced narrative. Religious conflict in Scotland during almost the whole of the period was devastating. The Crown vacillated between Reformed, Episcopalian, and Catholic doctrine whether it was based in Edinburgh or, after 1603, in London. With one exception by contrast the Campbell chiefs held firm to the Protestant Reformation. In 1576 Colin, 4th Earl, tested John Knox in preach at Inveraray; 90 years later Archibald, 8th Earl and first Marquess of Argyll, led the Army of the Solemn League and Covenant. Late in the sixteenth century, however, a crack appeared in the remarkable unity of the Clan: a nationwide conspiracy involving the Campbells of Glenorchy, Lockswell, and Airthrey, led to the death of the Boariar Earl of Moray, the murder of Campbell of Cawdor, and two attempts on the life of “grim-faced Archie” the 7th Earl who subsequently turned Roman Catholic and in 1617 left to serve the King of Spain. Again, however, the Clan recovered. One of the conspirators, Black Duncan Campbell of Glenorchy, eunuch of the MacGregors, even received a royal pardon and a Barony. Alastair Campbell describes the onset of the religious and civil wars in the seventeenth century. The greatest figure in Scotland then was the first Marquess of Argyll, an ardent Protestant, who was pitted against the charismatic Cavalier, the Marquess of Montrose. On behalf of church and crown in Scotland each led governments and armies against one another.

Charters of the Abbey of Coupar-Angus

A List of Works Relating to Scotland A new series of the Scottish antiquary established 1886.

The Scottish Historical Review This nine-essay volume provides the first full-length, detailed exploration of the kingdom of Scotland during the reign of Alexander II (1234-49), and the most extensive analysis of this key state-builder and his policies.
