A Study Guide for Reginald Rose's "12 Angry Men (Film entry)" excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs.

Revision—though in what way is not specified—of a 1970 natural history. Includes some 80 illustrations and photos, and describes about 130 species, including their evolution, anatomy, diet, population, trends, roosting, courtship, and daily life. Annotation copyrighted by Book News, Inc., Portland, OR.
This extraordinary first-hand account of Sir Edward ‘Weary’ Dunlop's experiences as senior medical officer in the infamous prisoner-of-war camps in Java and on the Burma-Thailand Railway, is not only an account of great historical significance but also a testament to the ability of the human spirit to overcome the most unbearably cruel conditions. ‘I have the testimony of hundreds of Australians who had served with me and who accompanied Weary to Burma and Siam that he was both their inspiration and the main instrument of their physical and spiritual survival.’ Laurens Van Der Post ‘His experiences – and the manner in which he handled them – are what have made Weary Dunlop one of our most loved and most respected countrymen.’ Herald Sun ‘Sir Edward’s care and concern for his men and his unbreakable spirit made him a living legend.’ Sunday Times

Twelfth juryleden moeten beslissen of een jongen die van moord op zijn vader wordt verdacht, schuldig is.

Includes a biographical sketch of the author, criticism of film and screenplay adaptations, interviews with Henry Fonda on his role in the original film version, and insights into the play.

Mystery crime fiction written in the Golden Age of Murder “A classic reprint you can't afford to miss.” –Kirkus Reviews A woman is on trial for her life, accused of murder. The twelve members of the jury each carry their own secret burden of guilt and prejudice which could affect the outcome. In this extraordinary crime novel, we follow the trial through the eyes of the jurors as they hear the evidence and try to reach a unanimous verdict. Will they find the defendant guilty, or not guilty? And will the jurors’ decision be the correct one? Since its first publication in 1940, Verdict of Twelve has been widely hailed as a classic of British crime writing. This edition offers a new generation of readers the chance to find out why so many leading commentators have admired the novel for so long.

Courtroom drama revolving around the trial of a boy accused of killing his father, where one man stands between him and capital punishment.

The first biography of a great television writer, and the story of his magnum opus In early 1957, a low-budget black and white movie opened across the country. Consisting of little more than a dozen men arguing in a dingy room, it was a failure at the box office and soon faded from view. Today, 12 Angry Men is acclaimed as a movie classic, revered by the critics and beloved by the public, and widely performed as a stage play, touching audiences around the world. It is also a favorite of the legal profession for its portrayal of ordinary citizens reaching a just verdict, and widely taught for its depiction of group dynamics and human relations. Few 20th Century American dramatic works have had the acclaim and impact of 12 Angry Men. Reginald Rose and the Journey of 12 Angry Men tell two stories: the life of a great writer and journey of his most famous work, one that ultimately that outsold its author. More than any writer in the Golden Age of Television, Reginald Rose took up vital social issues of the day - from racial prejudice to juvenile delinquency to civil liberties - and made them accessible to a wide audience. His 1960s series, The Defenders, was the finest drama of its age, and set the standard for legal dramas. This book brings Reginald Rose's long and successful career, its origins and accomplishments, into view at long last. By placing 12 Angry Men in its historical and social context--the rise of television, the blacklist, and the struggle for civil rights--author Phil Rosenzweig traces the story of this brilliant courtroom drama, beginning with the chance experience that inspired Rose, to its performance on CBS's Westinghouse Studio One in 1954, to the feature film with Henry Fonda. The book describes Sidney Lumet's casting, the sudden death of one actor, and the contribution of cinematographer Boris Kaufman. It explores the various drafts of the drama, with characters modified and scenes added and deleted, with Rose settling
on the shattering climax only days before filming began. Drawing on extensive research, and brimming with insight, it casts new light on one of America's great dramas - and about its author, a man of immense talent and courage.

"A 19-year-old man has just stood trial for the fatal stabbing of his father. It looks like an open-and-shut case until one of the jurors begins opening the others' eyes to the facts."—P. [4] of cover.

“[A] remarkably absorbing, supremely entertaining joint biography” (The New York Times) from bestselling author Scott Eyman about the remarkable friendship of Henry Fonda and James Stewart, two Hollywood legends who maintained a close relationship that endured all of life's twists and turns. Henry Fonda and James Stewart were two of the biggest stars in Hollywood for forty years, but they became friends when they were unknown. They roamed together as stage actors in New York, and when they began making films in Hollywood, they were roommates again. Between them they made such classic films as The Grapes of Wrath, Mister Roberts, Twelve Angry Men, and On Golden Pond; and Mr. Smith Goes to Washington, The Philadelphia Story, It's a Wonderful Life, Vertigo, and Rear Window. They got along famously, with a shared interest in elaborate practical jokes and model airplanes, among other things. But their friendship also endured despite their differences: Fonda was a liberal Democrat, Stewart a conservative Republican. Fonda was a ladies' man who was married five times; Stewart remained married to the same woman for forty-five years. Both men volunteered during World War II and were decorated for their service. When Stewart returned home, still unmarried, he once again moved in with Fonda, his wife, and his two children, Jane and Peter, who knew him as Uncle Jimmy. For his "breezy, entertaining" (Publishers Weekly) Hank and Jim, biographer and film historian Scott Eyman spoke with Fonda's widow and children as well as three of Stewart's children, plus actors and directors who had worked with the men--in addition to doing extensive archival research to get the full details of their time together. This is not just another Hollywood story, but "a fascinating...richly documented biography" (Kirkus Reviews, starred review) of an extraordinary friendship that lasted through war, marriages, children, careers, and everything else.

Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

Is it possible that one person can change the opinion of eleven others in a criminal trial? The Judge requires a unanimous verdict. It is Friday and, increasingly, there are compelling reasons why several of the jury members need to be released from service. The foreman, a local business women, struggles to hold on to her authority. The first vote results in a count of eleven for 'not guilty' and one saying 'guilty'. As the discussions proceed, and the drab, secured jury room produces additional pressures, the jurors begin to clash. This leads to an extraordinary outcome as the justice system is tested to its limits. Twelve Troubled Jurors is the second publication forming part of the Novella Nostalgia series linking iconic cinema classics with modern stories.

Shares case studies on some of the most sensitive issues pastors and church leaders may have to deal with in their churches--child abuse, AIDS, infidelity, homosexuality, and unexpected pregnancies.

“A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic belief in the U.S. legal system. The story’s focal point, known only as Juror Eight, is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to see the situation in a clear-eyed way not affected by their personal biases. Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture of America, at its best and worst, to form.”—Publisher description.

Describes the basic principles of film making, argues that directing is an extension of screenwriting, and explains how films tell stories.

My Vietnam is Dave Morgans story. A typical 20 year old, he was forced into extraordinary circumstances in Vietnam. Far from his carefree youth, the Vietnam War would expose Dave to an atmosphere of ever - present danger and sheer terror that would impact him forever. His return to a divided Australia would isolate him further. During his service Dave wrote home to his mother from Vietnam tracking the days and the events. In 1992, after his mother passed away, he found all of his letters with his own recollections and diary entries, and the short stories of seven other veterans, to capture the unbelievable danger and horror that these young men experienced in Vietnam. He also describes how Vietnam established life - long feelings of intense loyalty, trust and mateship between the men that served there. Dave's story focuses on his time as a soldier and his return psychologically exhausted to a divided nation.

Literature Review from the year 2007 in the subject English - Literature, Works, grade: 1, University of Innsbruck, language: English, abstract: In this paper I will look at the film Twelve Angry Men (1957) by Sidney Lumet. In short the film is about a criminal case in America in which a young Hispanic boy is accused of killing his father and the twelve members of the jury have to decide on his verdict. In this case "guilty" means death. After talking about the film in more detail I will also
look at the jury system in America and discuss some of its most important aspects, e.g. jury selection, possible verdicts or the principle “Burden of Proof”. In doing so, I will raise questions on how fair the jury system really is and what its weaknesses or points of criticism might be. I will then also discuss the various roles and duties of jurors and I will include ethical problems they might be confronted with in their deliberations. Furthermore, the question if a jury is capable of reaching a fair and legally correct verdict will be discussed and being looked at from different perspectives. To conclude this paper I will show why the jury system, despite its controversial position, is still used and probably will never be abolished.

“Beautifully written, painfully honest” first-person accounts of racial profiling, as experienced by twelve black men from all over America (Michelle Alexander, author of The New Jim Crow). In an era of contentious debate about controversial police practices and, more broadly, the significance of implications of race throughout American life, 12 Angry Men is an urgent, moving, and timely book that exposes “a serious impediment to the collective American Dream of a colorblind society” (Pittsburgh Urban Media). In this “extraordinarily compelling” book, a dozen eloquent authors tell their own personal stories of being racially profiled. From a Harvard law school student tackled by a security guard on the streets of Manhattan, a federal prosecutor detained while walking in his own neighborhood in Washington, DC, and a high school student in Colorado arrested for “loitering” in the subway station as he waits for the train home, to a bike rider in Austin, Texas, a professor at a Big Ten university in Iowa, and the head of the ACLU’s racial profiling initiative (who was pursued by national guardsmen after arriving on the red-eye in Boston’s Logan airport), here are true stories of law-abiding Americans who also happen to be black men (Publishers Weekly).

“This new edition is an outstanding update of what I believe to be the best textbook for introducing undergraduates to global sociology. With a rich array of new examples, clear definitions of concepts and crisp theoretical summaries, it offers students a vision for participating as engaged citizens in a diverse, interdependent and sustainable world.”— Paul Lubeck, University of California, Santa Cruz

The first, pioneering editions of Global Sociology put global issues at the heart of sociological discussion. Much has changed in the world since then; recessions, revolutions, social media, and new migration networks have developed as causes and symptoms of an increasingly global society. This new edition is fully updated to explore just how these global issues can help us to understand sociology in our world today. Making clear connections between everyday experiences and global processes at each step, the third edition carefully guides readers through essential and cutting-edge topics in the discipline, from family and feminism to environment and economy. Features such as biography boxes on key thinkers in the field, a thorough glossary, and review questions introduce and reinforce the book’s core ideas. With clear writing and infectious enthusiasm for its topic, Global Sociology remains the authority on global issues in sociology for students at a variety of skill levels.Robin Cohen is Emeritus Professor of Development Studies and former director of the International Migration Institute at the University of Oxford, UK. Paul Kennedy is Visiting Reader in Sociology and Global Studies at Manchester Metropolitan University, UK.

“Finding Florence, Maude, Matilda, Rose brings to the family historian the plethora of methodology, sources and ideas now useful for researching and writing about women ancestors in the 21st century”.--From back cover.

This book is based on the movie 12 angry men, a black-and-white film produced in 1957, and based on the book by the same name. It narrates the story of twelve jurors bound by the acceptance of their civic duty and thrust together into a hot, humid room to deliberate the guilt or innocence of a boy accused of killing his father in a moment of rage.
